GOVERNMENT OF MYSORE

During my tour in Bijapur District some of the M.L.As. told me that the question of releasing the land at S.No.225 at Yadahalli village for cultivation to harijans is under consideration of the Government since long. Their request to the Government is to release the land immediately to enable the ppor harijans to get their livelihood. The Secy. A & F may look into this and send a report through the Minister for Agriculture and Forests.

(B.D.Jatti)
CHIEF MINISTER.

This is a matter where the Harijans are to be benefited. So top most priority should be given by the secretary to such cases. Such cases cannot be decided early by non-tribe cases from Clerks.

Dear Shri PatilSahib,

Sir, am I destined to receive the bolt from the blue from your office No. AFD 141 DST 58 Dt.12-1-1959. I have been completely enervated to read your letter. So long I have been promising people that their request is under active consideration of the Govt. and even the local enquiery etc was just favourable to us. I don't know what our higher Forest Authorities have opined on this demand and now your letter has really hurt me very much.

Sir, it might be your Govt policy that Forest lands should not be given out and so on. But Sir the same kind of land given by Bombay Govt under Agri-Silvi System has roved to be a success excepting planting of trees etc. Sir the same kind of vast stretch of land is there at the foot of the hills bearing S.No. 225 of our village and our Ghataprabha Left bank canal runs at the highest ridge point of this stretch . It is the best suited soil for cultivation and Sir, it has become a matter of rather prestidge on our side.

Sir, I just request you in all earnestness to review the case and agree with me in this respect and I will never trouble you again for another of such matters. I know it is a policy matter with Govt. But sometimes you will have to fit them into different frames to suit the politics of our party. It is my personal request for you to just say yes to this call of mine and oblige. I have really felt very much to receive your official letter from your Secretary. Even I went to the extent of thinking that Shri Patilsahib is not inclined to write to me personally and sends me his deceisions through his office. Well it is my bad time. Any way I have really felt very bad of your letter.

Kindly review the case and grant at least token grant of 100 acres ~~at least~~ and be done away with it. If you cannot give it on permanent basis at least give it on AgriSilvi System and you may regul-arise it with other cases later on. But Sir, you will have to say yes to my this request. Why you are so emphatic in saying no to us. Have we offended you in any way? Kindly treat this as my personal call and do the needful and oblige. May I receive few lines in reply so that I can heave a sigh of relief. If you donT protect our interest who else should do?

When is the marriage ceremoney fixed and where? You want any of us there? We are at your service any time any where.

My regards to Smt. Patil and love to children

Yours Sincerely

D M Desai

Please say yes and oblige. My hands tremble to write this. Really this case has attained that magnitude on our side and I am in no other way for no left. I couldn't date write you since 17th it of the received your official letter. I just went through and thought my feelings and I has completely shattered and I felt at least you should remember. Please to save my face & prestige at least A day yes. Kindly

My dear Desai,

I have your letter dated 23-1-1959. The reply which you have received from Government refusing the grant of land asked for were sent to you as a routine case. It was actually not submitted to me since the Deputy Secretary thought that it was a routine case. On receipt of your letter, I called for the papers and I have asked them to write to you again stating that the matter will be reconsidered and that I will personally visit the place and take a decision. I hope, this will serve your problem. More when we meet.

Date 9-1-1959.

Dear Shri PatilSahib,

May I refer to your kind No. AFD 141 DST 58 dated 12-7-1958.

Sir, in this respect the matter has been exami-ned by the concerned Dept and now it might have been put up for your final approval. The land asked there, is mainly Kharif area and is heavily embeded with heavy rocks. It is perfectly flat area with negl-egible shruby growth. It is best suited for kharif cultivation.

If the land is given to our Yadahalli Harijans and Mahars and landless backward class people now, they will satrt t taking out the rocks soon after some heavy sporadic showers inbetween and prepare for the sowing season.

So I request you in all earnestness to disfore-st the area required for giving out for cultivation out of S.N.225 of Yadahalli and distribute it to the people. I request you to kindly fi-nalise the matter early and further request you to go to us specially to perform this land distribution ceremony which we would like to org-anise.

I hope my request will be receiving your most urgent and immediate action. With regards

Dear Shri PatilSahib,

I know you were pf a very stiff decision at Bombay in giving out Forest lands for cultivation. Now there is a definite request for certain forest land for cultivation. I have even made a suggestion on the floor of tye house when talking on Forest Demand this time. The matter is like this. Now Ghataprabha Left Bank Canal passes through forest area in our Petha and more particularly in our village forest area. The Hills run East and West and the canal also would be running parralel to the canal. To the suoth of the ca-nal areain S.NO. 225 of our Forest area nearly 4 to 5 hundred acres of flat and very good forest land would be lying idle which is exce-llent for cultivation. There is hardly any vegetaion there and exc-ept for stunted and small shrubs there is no valuable wood as such in that area. Formerly you know there was a Cattle Breeding Farm in our village for which 100 acres of grazing land was given for that Farm out of this S.No 225 of Yadahalli forest. Now that matter is over and the land is not being used for any purpose.

Then again you know that it was a political deceision by Bombay Govt. in taking out the Farm. You know the deta-ils very well. I am not trying to reopen the case of the Farm now. Af-ter closure of the Farm the Kuran land of 100 acres which is hardlly half mile from Yadahalli has been given out for cultivation to Gala-gali Harijans only because somehow that land stands as Galagali Su-rvey number and there is a G.R. to the effect that such of the Gov t lands to be given to the respective village harijans only. As a matter of fact for cultivation and all purposes it should have been given to our village harijans only. But due to the ~~spring~~ political string pulling at Bombay Govt somehow it was given out to Galagali Harijans. I don't object forthat now. Once the Gov . has given it out then we need not worry on that. All I want is that our village harijans also should get something from Govt. for cultivation as such.

Then you know that under Bombay Govt. Agri-Silvi cultivation programme some land was given to some landless people of our village and they have actually pouredd out their money and energy on them so far and have brought them to cultivation standard. They have been made excellent cultivation fields now. At this stage I would like you to make the respective holders permanant on the lands and end the matter once for all. That would enhance the prestidge of the Govt. and adds to the benevolent tone of our Govt.

Now when these all people are getting such of the lands for cultivation what crime have our village poor harijans have committed as not to get any land for cultivation. Under the c rcumstances I would like you to be kind enough to grant about 100 to 150 acres

Don't delay

of this very good Forest area out of S.No 225 of Yadahalli forest and I am sure it will be turned out into a real land of production and add to our Grow More Food problem also. Please don't think that I am writing in the manner to suit Govt. intentions. It is a real fact that this land if given out to these poor people they will turn it into beautiful cultivable pieces by dint of their hard labour. I also know something of Agriculture and I can say it with a sort of confidence that if you will be kind enough to grant about 100 to 150 acres of this flat land for the poor Harijans of Yadahalli I will stand a guarentee to the full development of that land in a very near future. When the Canal will be full with the waters of Ghatprabha then these lands would trun out anything which might go a matter of pride to your deceision.

So all I request you is to view this particular problem with generous view and get it immediately examined with my knowledge and hand it over to us for the poor harijans and oblige.

I hope you will rise up to my assistance and order out in the interest of the Harijans and oblige. Awaiting your positive reply and early decision

With regards

Yours Sincerely

Ramesh

I am not in favour of release of forest land out of F.S.No.225 of Yadhalli due to the following:-

(1) The area applied for partly falls in Organised forest and partly in the ~~[illegible]~~ privilege area.

(2) The area contains good tree-growth.

(3) The percentage of forest in Bijapur District is very very low.

2. As regards the forest lands already leased out on agri-silvi, I have to state that the matter of conversion or otherwise of all such plots into Inforest Settlement plots is already under review under the provisions of G.R.A.& F.D.No.FDM.1055 of 3-10-1955 and G.O.No. AFD 73 DAR 57 dated 25-4-1957 and final steps in this connection will be taken when thorough enquiry is made in respect of each individual case and final orders thereon obtained.

Proceedings of the Government of Mysore

Read— Representation dated 16-6-58 from Sri.R.M.Desai, B.A., M.L.A., of Yadahalli in the matter.

2. Report No.B3.49-603/58 dt.18-12-59 of the CCF in Mysore, Bangalore.

3. Visit by the Chief Minister to the place and assurance given to the Harijans of Yadahalli that the lands under reference would be granted to them.

O R D E R:

Sri. R. M. Desai states that the Ghataprabha Left Bank Canal passes through forest area in his Petha and more particularly in his village forest area. The Hills run East and West and the canal also would be running parallel to the area. To the south of the canal area in S.No.225 of the village nearly 4 to 5 hundred acres of flat and very good forest land would be lying idle which is excellent for cultivation. There is hardly any vegetation there and except for stunted and small shrubs there is no valuable wood as such in that area and there is a great demand lying unfulfilled for the past so many years for its release and in the circumstances requesting its release for cultivation by the poor and landless Harijans of Yadahalli etc.,

Government has examined this question at great length having in view the interests of all concerned and is pleased to direct that an extent of 150 acres that is irrigable in S.No.225 of Yadahalli, as it is clearly indicated that the channel flows next to the lands now proposed for grant, be disforest and surrendered to the Revenue Department for being assigned to the landless poor Harijans of Yadahalli, Bijapur District, subject, however to the conditions to be stipulated by the Revenue Department.

The Chief Conservator of Forests in Mysore, Bangalore, is requested to instruct the Assistant Conservator of Forests, Bagalkot, to mark out immediately, about 150 acres which could be irrigated, in consultation with the Public Works Department and place the area thus demarcated at the disposal of the Revenue Department.

The CCF is further requested to send to Government the draft disforestment notification in respect of the area ordered to be released and dispose of forest growth if any to the advantage of Government.

Ref:- Your memo No.AFD 1626/60 dated 29-2-60
AFD 1628/60 dated 29-2-60.

The applicants request for grant of 4 acres of land to each of them out of F.S.No. 225 of Yedaballi for cultivation. In this connection I have to point out that similar requests for grant of an area of about 100 to 200 acres out of the said S.No. have been rejected by Government in their No.AFD 141DST 58 dated 8-1-59 and AFD 136 FGL 59 dated 29-6-59. But Government in their No.AFD 141 DST 59 dated 4-11-59 have informed the applicant (Sri R.M.Desai) that the question of grant of lands to the Harijans would be reconsidered. The Conservator of Forests, Belgaum circle reports that the Minister for Forests who wanted to personally inspect the areas has not yet done so. Hence the case of the present applicants may also kindly be decided along with the Harijans applicants.

The two applications are retransmitted.
